

$$E = m \cdot c^2$$

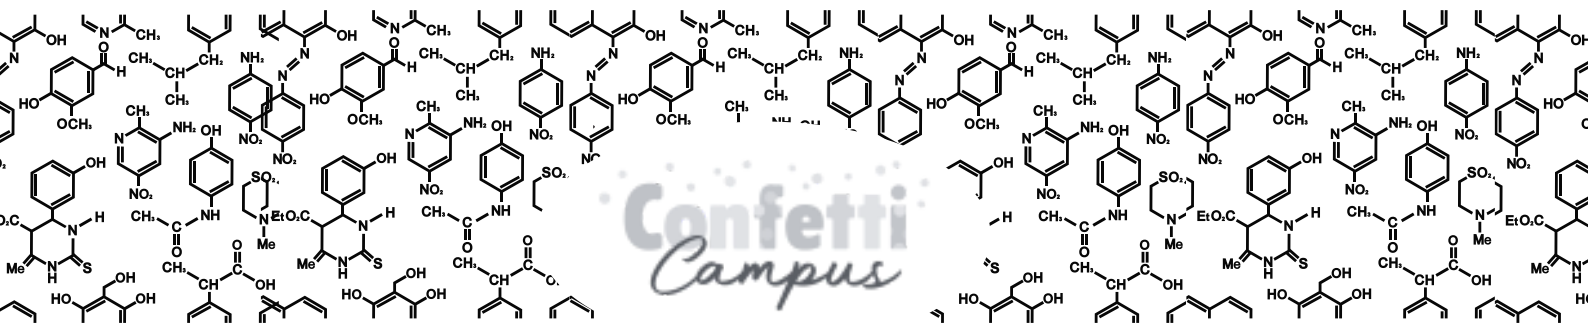

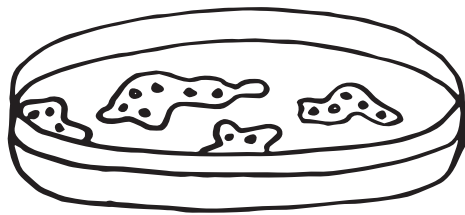

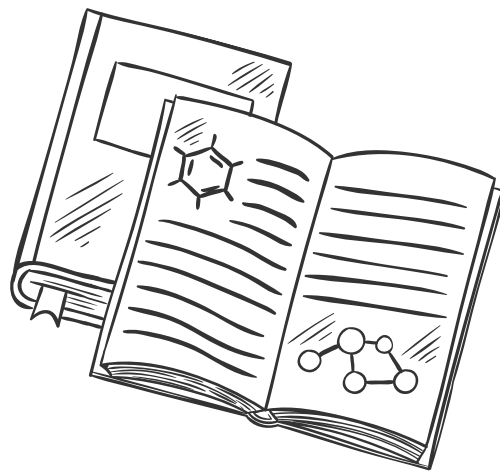

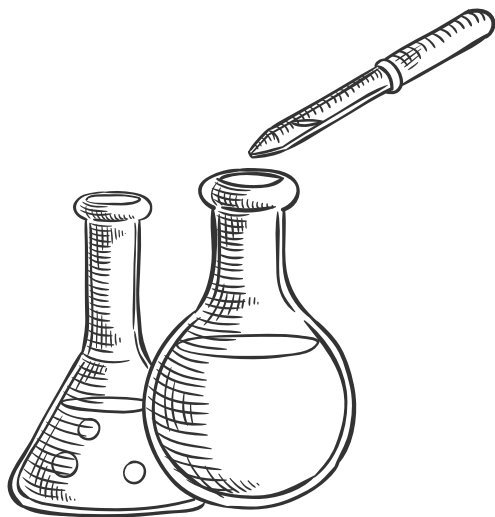

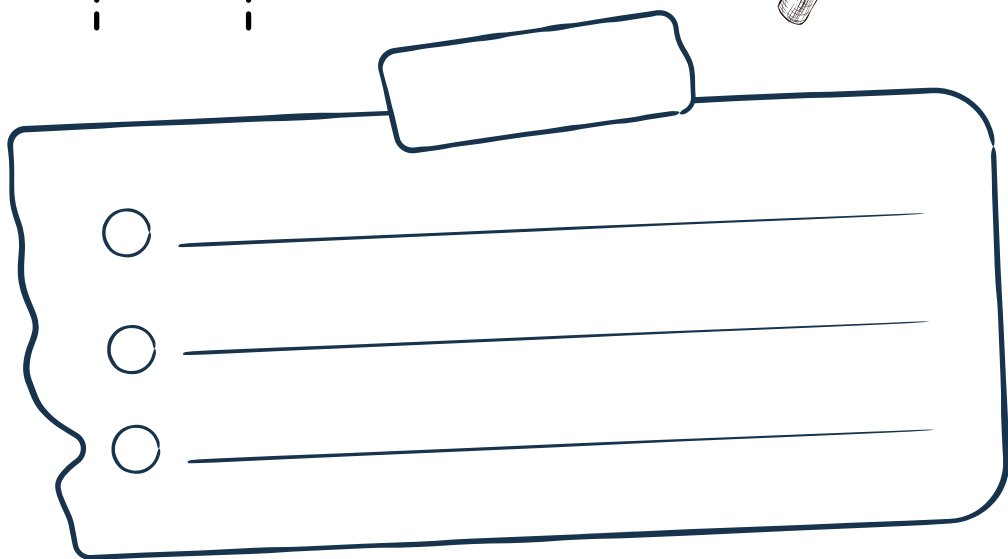

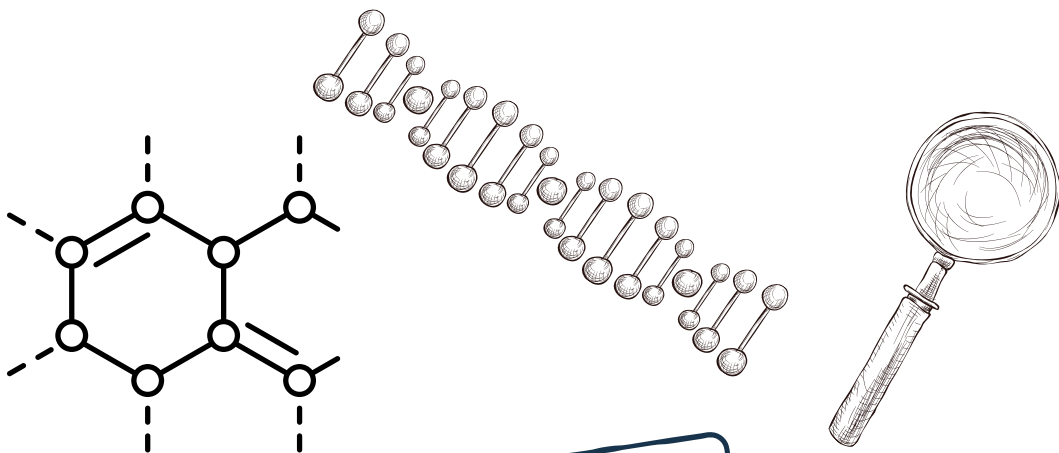

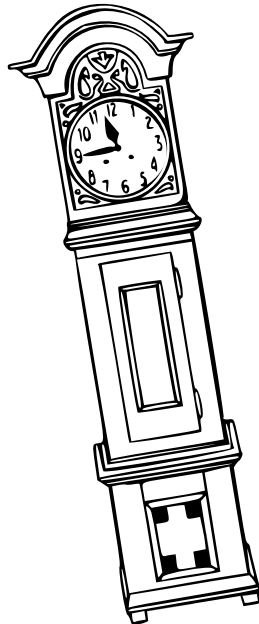

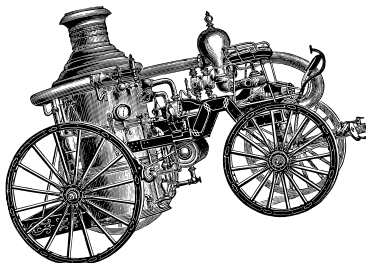

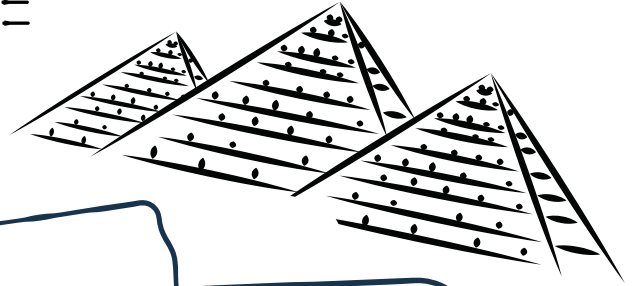

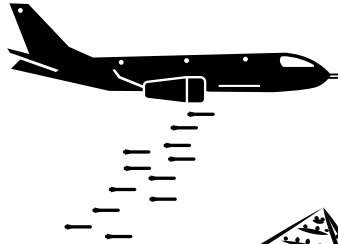

A black and white line drawing of a clipboard. It has a rectangular tab at the top and a large sheet of paper with three horizontal lines. To the left of each line is a small circle, forming a checklist.

A blank Cartesian coordinate system with x and y axes and a grid. The x-axis is horizontal and labeled 'x' at its right end. The y-axis is vertical and labeled 'y' at its top end. The two axes intersect at the origin (0,0). A grid of small squares is drawn across the entire plane, centered on the origin. The grid lines are evenly spaced, representing units on the x and y axes.

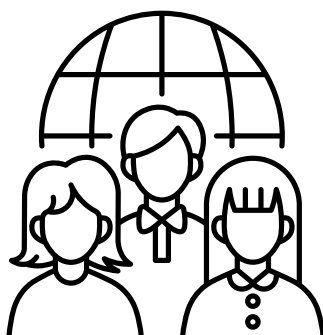

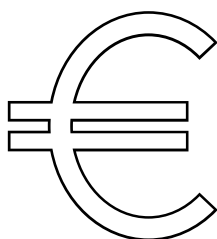

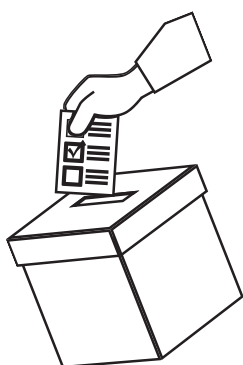

[illegible]

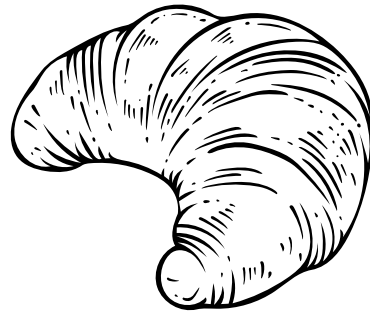

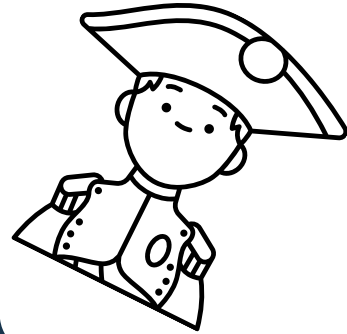

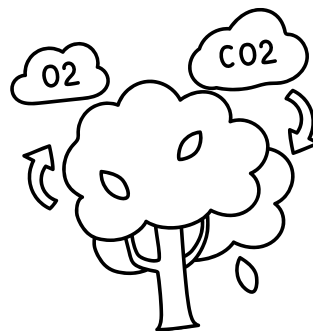

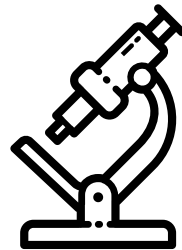

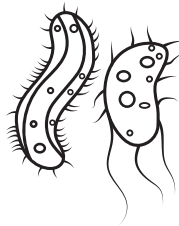

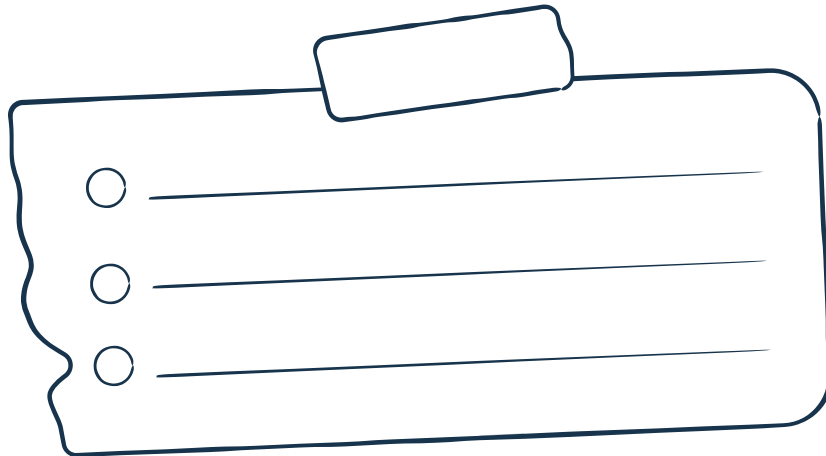

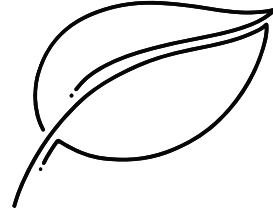

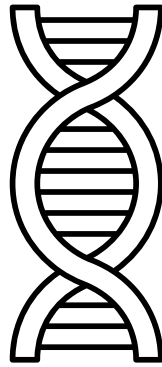

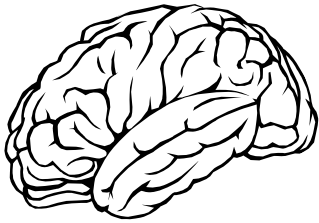

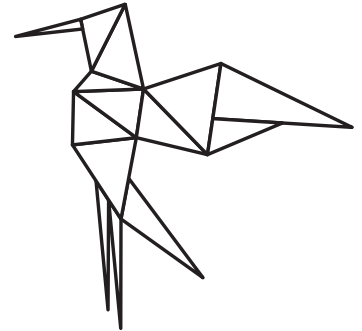

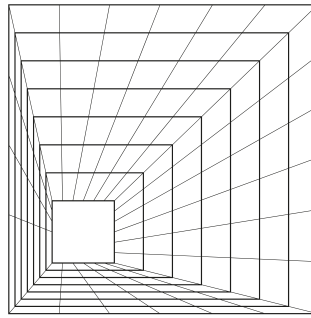

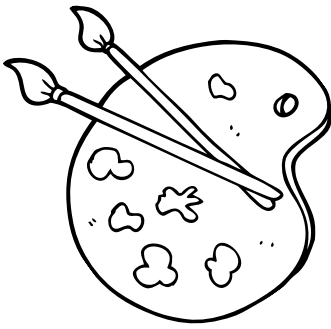

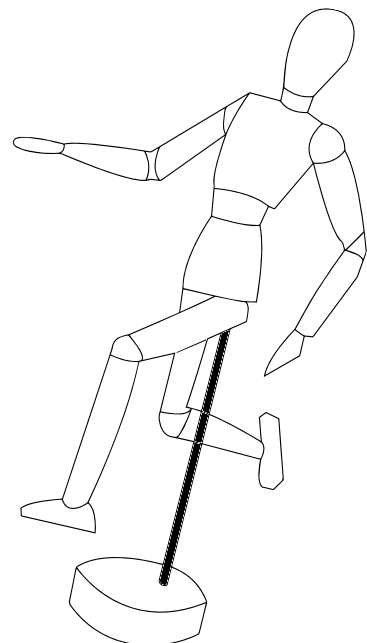

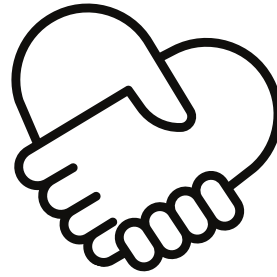

A large, hand-drawn rectangular box with a tab at the top, containing three horizontal lines and three circular bullet points on the left side, intended for notes or a list.

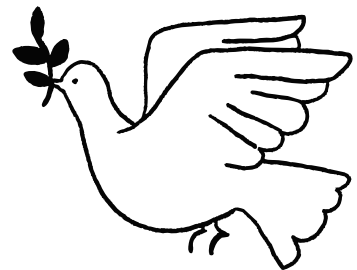

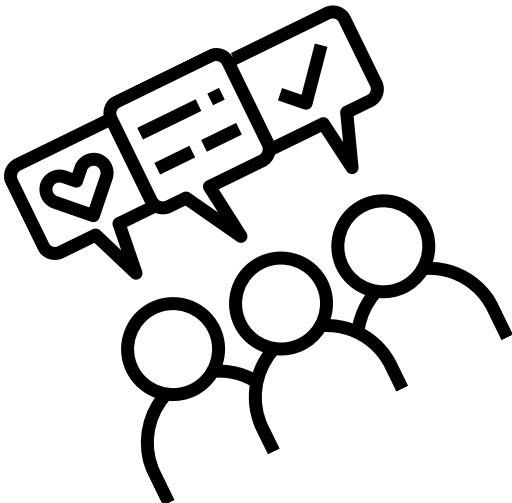

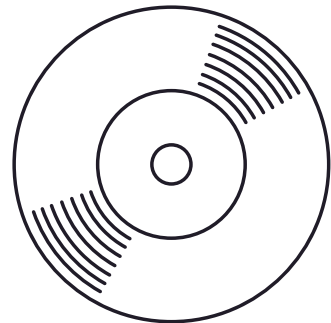

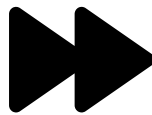

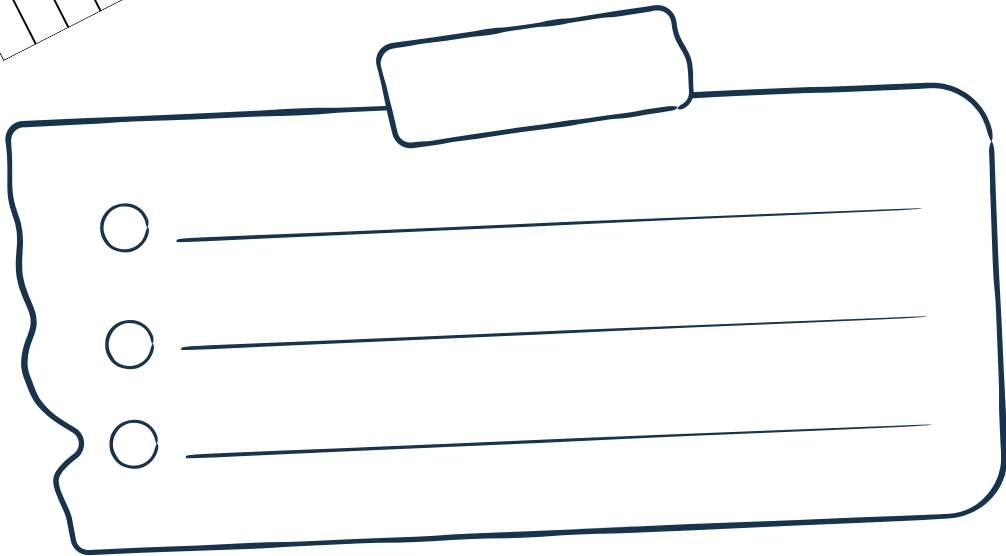

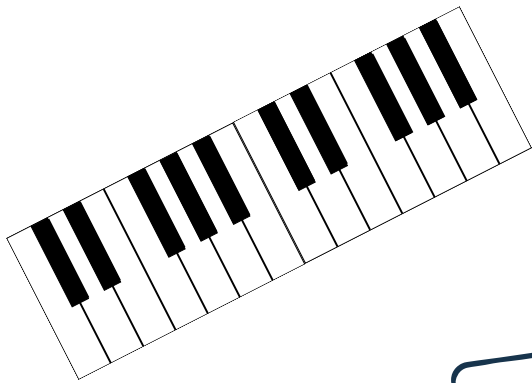

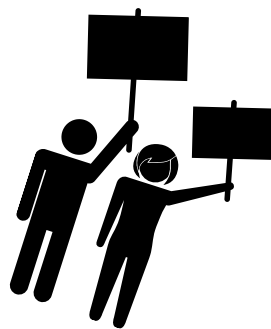

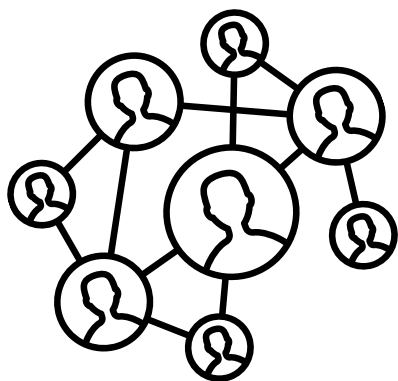

A large, blank notepad with a tab at the top. The notepad has three horizontal lines for writing and three small circles on the left side, likely representing binder holes.
